**COLOURING ACTIVITY:**

**Dear Parents,**

Long summer break is the most enviable part of school life! It provides time for rest and leisure. Children can just laze around, unwind, eat, play and make merry! Vacations are of course a time to reinvigorate and revive. However, the duties of a student must not be forgotten either. A balance, therefore, between recreation and work must be found to ensure a break that is productive as well as relaxing.

✓ **Everyday Activities:**

- Get up early in the morning, see the rising sun, hear the birds chirping.
- Go for nature walk with your elders or grandparents.
- Feel the fresh air: Take a deep breath and do breathing exercises.
- Save electricity. Switch off fans, lights etc. when not in use.
- Water the plants and feed the birds.
- Grow at least one plant and take good care of it.

1. Encourage your child to eat healthy food and drink lots of water during summer.
